## a) Daniel Lochomin Children's Education Fund

Children's education is a long term commitment and 2021 saw us continuing financial support for schooling, boarding and transport for two of the late Daniel Lochomin's daughters, Grace Ekal and Benta Ekal.

Grace is in her first year studying agriculture at a Polytechnic college in Kakamega. She is a long way from her home in Turkana District as there are no agriculture courses offered in that area.

Benta is in her last year of Secondary School in Kakuma, which is also a long way from home, but that's what happens when home is at the Kenyan border with Ethiopia on Lake Turkana. There is very little opportunity for schooling in that northern area, so children are obliged to travel further south to better their education.

During 2021 we received donations of 420 euros from Baptiste or 47845- Ksh after forex fees. Expenses totalled 96794- Ksh. We had to drastically cut expenses on the girls education due to lack of donor commitment to this specific project with only Baptiste, Robyn & Michel contributing.

## b) Lenkobei Primary School, Shompole

Nothing much happened in 2020 due to covid, schools were closed and the economy at a standstill. The administration tried hard to catch up on the curriculum in 2021, and squeezed two terms of missed 2020 lessons into their academic year. Tough for the kids and not much play time. However the playground created by Diane and Eli Machecourt is still in action, and almost indestructible. ;-)

We collected all Tablets from the school, they had undergone intensive use and were due for some serious maintenance. Unfortunately we only managed to rescue 4 of them, by changing screens and replacing a mother board. In 2022 we will need to reinvest in new tablets if we want to encourage E-learning at the school. The schools solar batteries are also weak and will need replacement. An estimated budget of 1800USD is required to update these items.

## Sponsorship, Books & Stationaries

As in previous years, MwitunaWatu continues to sponsor Longolie Kintalel and Posei Kirentei's school fees. Posei has now completed grade 6 and moved on to a government secondary boarding school nearby in Olkerimatian.

New text books & sports equipment was also supplied to the school by MwitunaWatu.

## c) Lenkobei Primary School Lunch Program

Important to Mwituna Watu's concept, we continued to supply daily lunches at Lenkobei school. This is a very strong incentive for parents to send their children to school, knowing that the children will receive a nourishing meal every day.

And we all know only too well that a satisfied stomach makes for a healthy mind!

## **d) Shompole Conservancy Rangers now in the Loita Hills**

**Sadly due to lack of funds we were obliged to suspend our financial support for the Rangers of Shompole. But fortunately they receive support from various other organisations such as SORALO. They have even expanded their program to the Loita Hills, where they have now a full team monitoring wildlife and illegal logging.**

**We hope to do better next year with your help of course. ;-)**

## **Once again we wish to thank our generous sponsors from 2021**

- Sophie Rocherieux, France
- Gerard Rocherieux, France
- Baptiste Rouget Luchaire, France
- Bruce and Dianne Wilson, Australia
- François Staszkievicz
- Rajni Shah & Co, Kenya (complimentary audit of accounts)
- Mathilde Ramsden, UK
- Keith Meredith, Canada
- Robyn Boyd & Michel Laplace-Toulouse, Kenya
- African Latitude K. Ltd (logistic support, transport, admin, and various other services)

## **AND NOW Looking towards 2022.....**

We look forward to receiving more support in 2022 from our generous friends & donors to enable us to continue funding these projects.

Don't hesitate to drop us an email if you'd like to make a donation or need more information on our projects.

Even small donations can go a long way in helping children's education and wildlife conservation.

Stay Safe,

*Robyn Boyd & Michel Laplace-Toulouse, Trustees*
